75th Charter Night Date Set – Mark Your 2019 Calendar

We have decided to celebrate our special 75th Club Charter Anniversary on **Saturday November 9, 2019**. We have extended an invitation to and recently received a commitment from Past Lions International President Al Brandel and his partner in service Lion Dr. Maureen Murphy for that date. They were our guests at the Hershey Lions Club's 50th Charter Night just over 24 years ago and we're happy they've agreed to join again us for our 75th.

Location and other details will be forthcoming.

Lions ALERT

Lions are continually involved in disaster relief around the world. The Lions ALERT program strives to provide specific direction to the 46,000 Lions clubs and help them to be more efficient in providing short and long term support to disaster victims.

The objective of the Lions **ALERT** Program is to develop a plan of action in case of a **Level One** (affecting a few people), **Level Two** (affecting a community) or **Level Three** emergency (affecting hundreds or thousands of people in a region).

The emergency may be a natural disaster, a man-made disaster or a public healthcare crisis such as a large-scale (pandemic) influenza (flu) outbreak.

**Lions
ALERT
Program**

The club is considering the creation of a Lions ALERT Team for local disasters and events that may require our assistance. More details to come in the next few months
